**Born in a family full of want and needs
but enriched with the soul full of care,
wanting to reach out and give of one's self till it hurts.**

I believe in the dictum.

**Sitting silently,
Doing nothing,
Spring comes,
And the grass grows under the feet.**

Time moves on.

मंज़िल की है तलाश तो दामन जुनूं का थाम
राहों के संग देख न तलवों के स्वार देख

SOCIAL ENTREPRENEURSHIP

DREAM FOUNDATION

www.dreamfoundationcancercare.org

A knowledge-based charitable, non-profit Trust established in the year 1986 with a commitment to enrich and sustain the lives and livelihood of people afflicted by the scourge of cancer. The foundation empowers the family of the patients by providing educational funds, teaching them some skills for financial empowerment and counseling on the dreaded disease. The volunteers work towards removing the myths about the disease and highlight the importance of care and treatment for the patients. Regular workshops are conducted where yoga sessions are organized to help the patients relieve the stress and trauma.

The foundation has **1,000** cancer patients registered with them, who avail financial support, guidance, counseling from the foundation.

ALLIANCE FOUNDATION

The Foundation works towards the promotion of primary education among the economically backward sections of the society. The foundation strongly believes and advocates the importance and need of basic education in self-development of the lower classes of the society. The members of the foundation involve themselves in counseling not only the students, but more importantly the parents who are the guide to child's future. The Foundation highlights the increased importance of education in the current highly competitive environment.
