TO WHOMSOEVER IT MAY CONCERN

In the midst of all round deterioration of values once cherished even one man, who is steadfast in his commitment to the welfare of fellow beings, becomes an example worth emulating. Shri K.M. Aarif is one such person. The dedication with which he, through his organization called DREAM FOUNDATION, provides succour to the poor and the destitue cancer patients and their families is heart warming.. I wish him every success in his endeavours.
